Right to Know Letter	Individuals interested in serving as Drachman Volunteers must Apply / "Reapply" for clearance to officially volunteer through TUSD's Human Resources Department each school year. We hope each Volunteer from last school year reapplies for this school year. This is the link to apply for this year (FYI...The site is have you apply to volunteer as a "job": Link to Apply to Become a Drachman Volunteer TUSD Human Resources will review the online application and conduct a background check. Parents and legal guardians will be required to upload valid photo identification. Adults who are not parents or legal guardians wanting to volunteer will be required to upload valid photo identification and a valid fingerprint card...this includes grandparents and other family members who are not the student's parents or legal guardians. Drachman will pay the \$20 cost for the fingerprinting. Although this process may be cumbersome, it supports our campus safety and security by ensuring Drachman Volunteers have passed a background check to work with our students. As mentioned before, Drachman Volunteers will be allowed to be	

	on campus before the morning bell to help support the supervision of students, will be able to chaperone field trips, and help within classrooms.
